Hi Deborah,

As we discussed this morning, I have attached the SEMD Memorandum discussing our "Initial Findings Regarding Ocean Disposal of Montrose Chemical's Acid Waste." This work, conducted by our SEMD Civil Investigator, is in furtherance of developing an operational understanding of the disposal needed to support SEMD's site assessment of Disposal Site #2.

We look forward to discussing these findings with you and next steps once you have had a chance to review the Memorandum and attachments. Enrique is also reviewing the Memorandum.

Thank you,  
John

Evening Enrique,

Here is the Memorandum prepared by our civil investigator, Keith Olinger, on "Initial Findings Regarding Ocean Disposal of Montrose Chemical's Acid Waste."

The Memorandum has been reviewed by Loren Henning, John Chesnutt, Dana Barton and me.

Excellent work by Keith, with the support of our contractors.
